Re: 2013 National AFL-CIO United Way Endorsement

Dear Brothers and Sisters:

Since 1947, the AFL-CIO has taken great pride in its partnership with the United Way. The labor movement and the United Way have a long tradition of working together to help workers, families and communities in need.

In communities around the country, United Way funding makes it possible to provide services people need to get back on their feet. There are over 200 Community Services liaisons supported by the United Way who serve working families in communities around the country.

Together we can help those in real need now while we work to rebuild our economy. Please join me in supporting the 2013 United Way Campaign by doing so you are helping create opportunities for a better life for all.

Thank you and with best wishes, I remain

Fraternally yours,

Larry J. McGann
General Secretary-Treasurer
