Subject: International Union of Elevator Constructors Donation to Veterans Village of San Diego for Stand Down

John,

Good morning! I hope you are well. Since I don't have Frank Christensen's email address, I'm emailing you in hopes you may know someone who can pass on this thanks to him. We received a \$500 donation from the International Union of Elevator Constructors for our annual Stand Down which will occur the end of June. We very much appreciate the donation. We average approximately 900 homeless veterans/spouses/children each year that we'll bring onto the upper ball field of the San Diego High School. This is very much a community effort.

Thank you so much and hope our paths cross again sometime.

Kimberly M. Mitchell
